

**Teresa Dickerson**

**Commodity Manager, Global Supply  
Management  
Delphi Corporation**

Teresa Dickerson, 37, currently holds the position of Raw Material manager for North America, and Global Commodity Manager for Copper. She is currently located in Streetsboro, Ohio.

In 1994, Dickerson began her career as a financial analyst for Delphi Packard Electric Systems in Warren, Ohio. After various rotational assignments in Finance, she transitioned to a Business Planning position with Delphi Marketing in 1998. In 1999 she transferred to a role as Manufacturing Foreman in a Delphi Packard plastic injection molding facility.

In early 1999, Dickerson was awarded the Delphi Fellowship, financially and developmentally supporting her desire to obtain an MBA. Upon her return to Delphi in 2000, she accepted her first assignment in Supply Management as a buyer for the Connection Systems commodity. After a developmental assignment as a Product Manager in Marketing, she returned to Supply Management in 2003, promoted to Divisional Metallics Manager for Delphi Packard. From this assignment she moved to work for Delphi corporate as category manager for Sensors & Switches, and later Tubings, Bearings, and Metallic Assemblies. She was named to her current position effective September 2009.

A native of Cleveland, OH, Dickerson received her Bachelor of Business Administration degree in Management Science in 1994 from Kent State University in Kent, Ohio. In 2000, she received an MBA in Business Management/Marketing from Case Western Reserve University in Cleveland, Ohio.
